1. Introductions.
2. Approval of the minutes.
3. Current bank total is \$562.77. Melissa will update the current paid memberships on the wiki.
4. **Website update** – Kristen showed us ARLIS Ontario's site -<http://arlison.org> - as an example of what our new site could look like. We should consider keeping the wiki for interactive documents etc. We hope to have it done by late August before the fall meeting and community night at St. Kate's. Suggestions for the community night are to bring chocolate, and get brochures from ARLIS/NA.
5. **Informational brochure and logo update** – Inga demoed the brochure. It is currently a half page size. There was discussion about adding an image. Inga has a Spoon Bridge image that has a creative commons license we should be able to use. We should mention the upcoming conference being hosted here. If we do a trifold, there would be 6 panels, but that may be a lot if we also give them info from ARLIS/NA. If it is a third of a page, it could be inserted into the ARLIS brochure. We may print it on our own funds this year and then apply for a grant from ARLIS/NA in the fall for next year. A postcard sized brochure would work better with the image and the reverse could be the info. Inga will email a more finished version to everyone when she has it ready (by mid-August).
6. **Facebook page** – we hope to get the vanity URL soon – we need to get 25 fans, so sign up! Currently, the page is <http://www.facebook.com/pages/ARLIS/126517764053514?ref=ts>
7. **Fall meeting date** – we will be hosting VRA Midwest and the optimal time for the meeting is early October. We will contact them about the dates soon. Kristen, Jessica, Heidi and Rebecca will form a subcommittee to plan the meeting.
8. Adjourned at 10 a.m.

Respectfully submitted,

Rebecca Moss (for Melissa Aho who was unable to attend).
